Work Experience

Lead Code Sensei

Code Ninjas - Downingtown, PA
July 2018 to June 2020

Taught kids ages 7-14 how to build video games by coding in JavaScript, Lua, and C#.
As lead sensei, I took on an "assistant manager" role: scheduling/booking tours, providing feedback to the child's parents, and ensuring everything in the Dojo was running smoothly.

Education

Associate's in Information Technology

Delaware County Community College - Media, PA
January 2019 to May 2021

High School

Collegium Charter School - Exton, PA
August 2014 to June 2018
